

Diablo Day Camp

Camper Pick-Up Procedure. PLEASE READ CAREFULLY!!

- You will be sent a set of pick-up coupons for each child about 2 to 3 weeks before camp.
- Pick-up coupons must be filled out completely and signed by the parent/guardian.
- Carpool drivers need to have a pick-up coupon for each child they are picking up that day.
- Make sure you give your child's driver a pick-up coupon!
- **You will need a pick-up coupon even if you are picking up your own child.**
- If, for any reason, a driver does not have a pick-up coupon, he/she must get out of the carpool line, park their car, walk into camp and wait until a director can phone for authorization to release the camper.
- If things run smoothly, carpool pick-up takes 30 minutes. Do not make appointments for music lessons, orthodontist or dentist, etc. before 5:00pm. Better yet, do not make appointments at all that week. Your child will be very tired from a full day of activities.
- If you must pick up your child early from camp, you must do so before 2:00pm. Present your pick-up coupon to the nurse on duty at the first aid tent. After checking a picture I.D., the nurse will ask another adult volunteer to find your camper and bring her to you at the first aid tent. Please allow plenty of time for this procedure. With 200 people on site, with various camp activities, we do not have many extra staff to go and find your child and bring her to you.

We also need you to fill out the Camper Release Form below, authorizing us to release your camper to any of the people listed on the form. This is required by the Girl Scout Council as a safety procedure. This form must be on file before your child attends camp.
