Opportunity Guidelines for Individual Girls

The Opportunity Fund is for girls 5-18 years old who are registered Girl members or are willing to register as Girl Scouts.

1. Opportunity Fund Grants are supplementary. The Council expects each family to pay as much as it can toward the cost of the event.
2. Opportunity Fund Grants are based on financial need and the application and should support documentation.
3. Opportunity Funds are limited, but the Council makes every effort to provide enough support so that no girl is denied participation in a Girl Scout event due to lack of funds.
4. A Girl may be eligible for an Opportunity Fund Grant more than once a year if the second experience is significantly different from the first.
5. The Council now accepts monthly payments for the camps and events we sponsor. The payment schedule is negotiable and arrangements can be made by calling the **Opportunity Fund Manager** at the Girl Scouts of San Francisco Bay Area Council Office, (800) 447-4475.
